Dedication

"The deed is forgotten, but its result remains." So it is with Mrs. Margaret Ethel West Weaver, who, as sponsor of the **Monticello** for nearly sixteen years until her retirement this year, has brought local, state, and even national fame to Thomas Jefferson High School. To achieve these awards required no small amount of ingenuity, initiative, and perseverance on the part of the sponsor. Though many things may be forgotten in the years to come, the yearbooks that she produced will always remain a living testimonial to her. But to us in the Annual Office, Mrs. Weaver was more than just a sponsor. "W," as she was affectionately known to her students, was a comrade to every member of her staff — always understanding, sympathetic, and kind. It is therefore with deep feelings of appreciation that we, the staff of 1951, dedicate this edition of the **Monticello** to our devoted sponsor and friend, Mrs. Margaret Ethel West Weaver.

Mrs. Margaret Ethel West Weaver

Our Theme

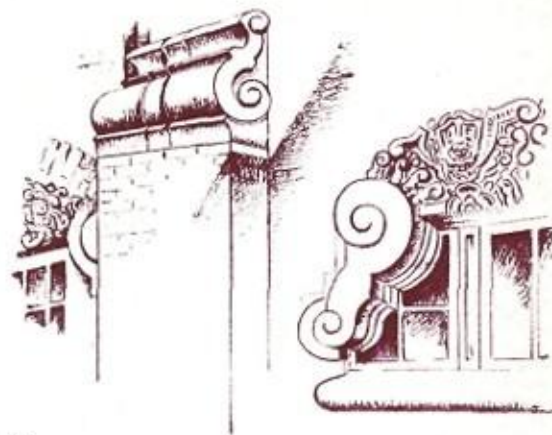

Jefferson's music department is of the best. This is natural, for our school reflects the spirit of the citizens of San Antonio and their cultural interests. Each school day has a musical background. Inspiring music blending with the morning prayer, the drum beats at the pep rallies, the soprano voices of the Glee Club blending with the baritones of the Male Chorus and the blaring of the horns during band practice — all play an important part in Jefferson's life. What would assemblies be without the band's music to usher us into the auditorium? What of parades, concerts, dances, and football games, all accepted parts of student activities, without music? Because a background of music is traditional at Jefferson, we often forget the hard work that goes on behind the scenes. Therefore, the 1951 Monticello takes pride in honoring the Music Department.

A decorative musical staff with notes and a large circular frame. The staff is drawn in a dark red color and features several notes with stems. A large circle is drawn around the center of the page, with the word "PROGRAM" written in a stylized, hand-drawn font across its top. The circle's border is composed of two concentric lines, with a series of small triangles or points along the bottom edge. The overall design is simple and artistic, typical of a school yearbook or program cover.

"People without vision perish." For this reason Thomas Jefferson, both the man and the school, will live forever.

Thomas Jefferson High School, a perfect example of the benefits of foresight, was built by the school board despite the protests of a major portion of San Antonio. In 1930, when construction of Jefferson was begun, many people thought the site selected for the school was in an isolated section of the city, far away from the homes of the pupils. Time has proven the board right, however, because for miles around the school, beautiful homes stand on land that was vacant and useless twenty years ago.

Nearly two decades have passed since Jefferson was opened, and yet few changes can be seen in the school. The corridors are as clean as ever, the paint is so white it looks as if it were applied only yesterday, the tables and chairs are unmarked, and the students take great pride in seeing that the school stays in perfect condition. The only things in the whole school which are noticeably different are the once empty trophy cases in the main hall which are now filled to overflowing with awards won on the athletic field and in journalistic and academic contests.

If the building has remained unchanged, great improvements may be noticed in the school grounds. The once barren land has been beautifully landscaped, and where only weeds grew, trees, shrubs, and gorgeous flowers bloom in riots of brilliant colors.

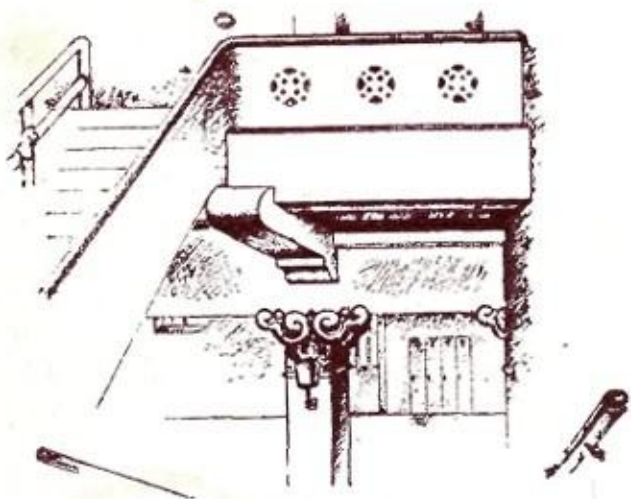

Thomas Jefferson High School is known for its beautiful surroundings; but besides being the show place of the city, it has been of tremendous value to San Antonio, since many of the present leaders of the city -- leaders in religion, education, business, and social work -- look upon Jefferson as their Alma Mater.

Not only do the students of Jeff get an excellent education but also take part in many character building activities. The Student Council, the Library Council, and the social and departmental clubs provide opportunity for the students to assume responsibility and give service to the school.

The contributions of Thomas Jefferson High School are indeed of lasting value, and like the works of the school's illustrious namesake, will live forever.

Mr. Thomas B. Portwood
Superintendent
San Antonio Schools

The citizens of San Antonio are indeed fortunate in having such a man as Mr. Thomas B. Portwood as Superintendent of Public Schools, for in his capable hands rests the destiny of the school children of this city. Mr. Portwood, one of the men responsible for the completion of our beautiful school, has demonstrated time and again his ability to make correct decisions. With Mr. Portwood guiding us we can look forward to an even greater Thomas Jefferson and a finer, more efficient school system.

Mr. Oscar E. Miller
Assistant Superintendent
San Antonio High Schools

This warm friendly man is deeply loved by the Jefferson students who have graduated from Horace Mann Junior School. Those Jeffites who were not fortunate enough to have Mr. Miller for their junior school principal know him only by his reputation for friendliness and cordiality. Our Assistant Superintendent of Public Schools, an outdoor man, has demonstrated his interest in the students by taking many of his young associates on hunting trips. His sincere understanding of teen-age problems has won him the admiration and high esteem of all who know him.

Clearly personified in our beloved principal are all of the fine qualities which the students of Jefferson are trying to develop in themselves. Never too busy for a pleasant smile, a friendly word, or helpful advice, Mr. Rogers is an inspiring leader and a farseeing organizer. During the years he has been principal of Thomas Jefferson, Mr. Rogers has given graciously of his time to help the students. Not only his unfailing courtesy, but his wonderful sense of humor has endeared him to everyone.

J. Guy Rogers

Principal

Mr. Raymond W. Arnold

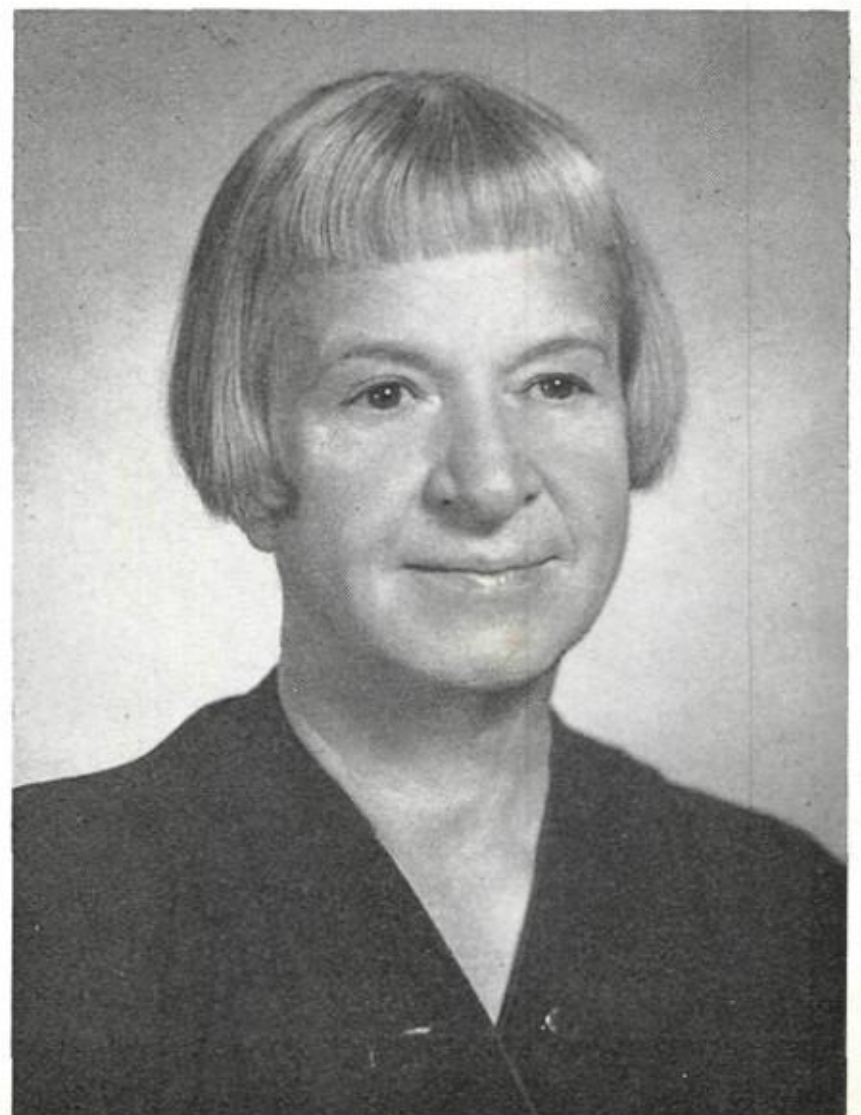

When the problems besetting a boy become too numerous he invariably turns to Mr. Arnold for help, and unfailingly our Dean of Boys supplies kindly advice and counsel. Mr. Arnold's ability to raise students from the depths of despair is truly amazing. His guiding principle is friendship and he exemplifies the spirit of friendliness for which Jefferson is striving. Because of his tolerance, good-fellowship, and understanding Mr. Arnold commands the confidence and respect of every boy and girl in Jefferson.

Vice-Principal

Some of Jefferson's finest traditions have been built around this petite, efficient Dean of Girls. All problems may be taken to Miss Smith with the knowledge that her sympathetic understanding will quickly ease the difficulty. One never departs from a conference with her without feeling that something of inestimable value has been gained. Her unswerving loyalty to the school, her ability to make the correct decision instantly, and her unruffled serenity evoke the admiration of all who come in contact with her.

September, 1950 — Under the capable leadership of our class president, Bobby Vernon Holifield, and the excellent guidance of our class sponsor, Mrs. Florence M. Lloyd, we of the Senior Class of 1951 began our triumphant year. Class officers were chosen to serve our school in every way possible. We chose the red rose as our class flower, blue and silver as our colors, and as our motto: "What is worth doing is worth doing well." A clever comedy was the Senior Frolic — "We Shook the Family Tree." Two glorious occasions stand out in fond memories — the Senior Dance and the beautiful Junior-Senior Prom in May. Another great success was our Senior Play "Stardust", an important highlight of the year. Then came Class Day, a never-to-be-forgotten event as the Class Will and the Class Prophecy furnished amusement and delight for all. Finally the long awaited night came when we of the Class of 1951 walked down the aisle to the strains of the processional to receive our diplomas. Thus we leave Jefferson High School, but amid sad good-byes mingled with laughter we take with us the memories of three happy and successful years.

JUNIOR FUN AND FROLIC

Juniors

September of 1950 — new school year—new classes—new friends — more activities — being led through school year by new and capable officers — white carnation became our class flower — blue and silver our class colors— Juniors still remember our skating party in sophomore year — class representatives voted to have sock dance—at midterm—in Jeff gym — gala occasion — wild and bright assortment of socks exhibited — well attended

by those who paid dues—tryouts for Junior Play—presented in April—"I Remember Mama"—good acting—enjoyed immensely by everyone—Then Juniors began long and careful preparations for the Junior-Senior Prom — held at La Villita—This year—as always—one of the best dances of the year. Saying goodbye to graduating seniors was hard — Jefferson's loss — life's gain — Baccalaureate Sunday and commencement services — received wholehearted co-operation of class officers — and many other student volunteers — everyone had a part in properly graduating our seniors. Now the excitement of the departure of the seniors over — we look forward to another year — with the excellent guidance of our beloved sponsor — Mrs. Lorena H. Davis. Next year — all will be striving to carry out our motto — "Success Awaits at Labor's Gate."

Sophomores

The first of September, 1950. Many anxious and new sophomores entered Jefferson. We were scrambling in the halls, trying to find our way to each and every class. By secret ballot we soon elected able officers to lead us through our sophomore year. Soon after the election all the sophomores met in the school cafeteria. Connie Orr, our president, opened the meeting. Mr. R. W. Arnold, our Dean, and Miss Oliphint,

Sponsor of the Class of 1953, welcomed us along with other members of the faculty. Christmas time soon rolled around and many committees were selected for the dance we gave in the main hall for sophomores and their dates. Many decorations added to the brightness and enchantment of the evening. The month of March brought ups and downs, for in one of our public roller skating rinks, the sophomores joined in laughter and fun for a skating party. Now the sophomores feel like old timers at Jefferson and are looking forward to the two more wonderful years that we have ahead of us. We all want to succeed in everything we undertake.

Freshmen

Something new has been added to Jefferson—a Freshman Class! Many tried to discourage Miss Margaret F. Burke, the sponsor, by prophesying "too young to adjust." But this class has fitted itself into the routine of work and the wonder of Jefferson's social life

beautifully. Organization at a September Class meeting was smooth; officers were elected with little or no confusion by the middle of October; dues were decided upon and ninety per cent collected in time for the first Freshman-Sophomore Christmas Dance. At the end of the Fall term about seventy-five Freshman were wearing the newly designed "Fish" Scholastic pins for achieving no grade less than a "B". At the beginning of the Spring term many of the class—now Old-Timers—were guiding the new crop of Freshmen from Mann through the maze of Registration. The Sophomore and Freshman classes joined together again in a big Membership Roller-skating party. Then Finals and the First Freshman Class is no more except in the history of Thomas Jefferson High School.

School Calendar--Fall Term

SEPTEMBER

- 5-6 Registration!! Ready or not, Teachers, here come the students.
- 15 Mustangs open the 1950 football season with a 6-0 defeat at the hands of the Tivy Antlers.
- 16 The first dance of the school term is given by the Music Department.
- 28 As the students watch, portions of the Monticello come to life before their eyes in the first assembly of the year.
- 29 Cheering Jeffites see the Mustangs upset the favored Austin Maroons 27-0 in Austin.

OCTOBER

- 6 Hayne Club throws a "wing-ding" of a dance in the school gym.
- 7 Mustangs defeat Edison Bears 59-6 in district opener.
- 11 Student Council installs school leaders in a beautiful ceremony.
- 20 Lassos switch from the football field to the dance floor and give a fine dance.
- 21 Dramatic Department presents the play, **Spring Antics**.
- 28 A most enjoyable time is had at the Forum Dance.

NOVEMBER

- 23 Mustangs clinch city championship by defeating Brackenridge 25-21 in a thrilling Turkey Day game. After the game the Student Council sponsors a free dance in the school gym.
- 23-24 Long week-end holiday — Jeffites celebrate.

DECEMBER

- 1 Jeff loses to John Reagan of Houston, 35-0 in semi-final game.
- 5 The Senior Class sponsors a new-style Career Day.
- 7 A day long to be remembered for the Senior Frolic — **We Shook the Family Tree**.
- 15 **The Mikado**, presented by the Music Department, was perfection at its best.
- 19 The Freshman-Sophomore Dance, semi-formal, was held in Jeff's main hall, the night before the Christmas holidays.
- 22 Student Council holds annual Christmas dance at the Olmos Club.

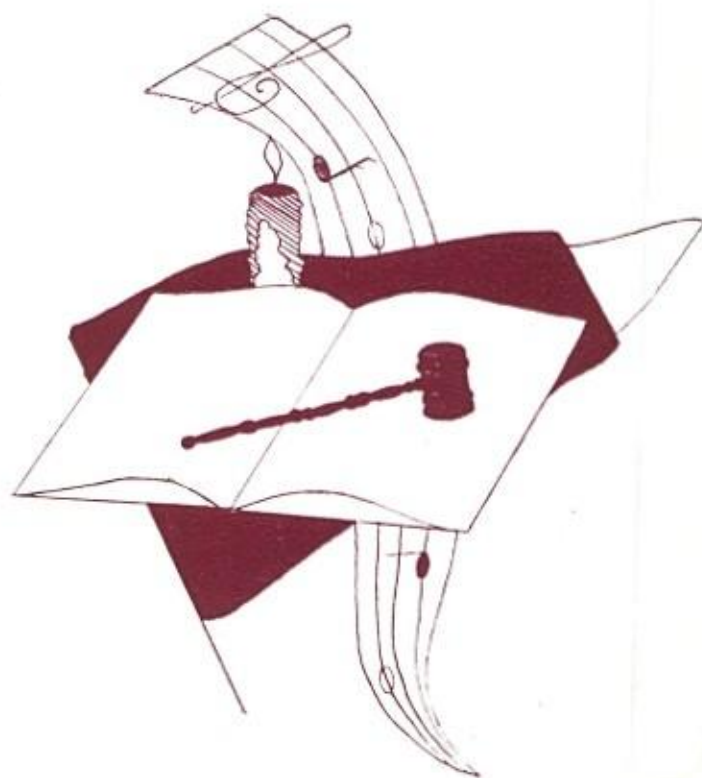

JANUARY

- 2 Holidays are over; school starts again.
- 11 **Here She Comes** presented by the Cadet Corps. A delightful comedy.
- 19 On the last day of the term — a western dance by Jeff Hop.
(Spring term calendar is on page 201.)

The Arts and Crafts Club was founded in the fall of 1950 under the sponsorship of Mr. E. O. Hakala. The meeting every Thursday is held for work and fun. The club's purpose is to offer opportunities to explore various arts and crafts and to promote fellowship among its members. The privilege of membership is limited to twenty because of lack of space and tools in the shop. Ceramics, leatherwork, woodwork, belts, wallets, picture frames, ash trays, and the fun we had making these made the Arts and Crafts Club a huge success from the start.

Since the opening of Jefferson in 1932, the Declaration has brought news of interest to the student body every other school week without fail. Now sponsored by Mrs. Billie Peery, the staff has achieved high honors during the 1950-51 school year: an All-Texas rating at the THSPA Convention in Denton last December; Rochelle Stendig and Jo Ann Putnam won first place in the state in large ad competition; and co-editor Russell Kelfer took third place in editorial writing. Editorial policies have backed many worthwhile drives and ideals. News Editor Martha Lee Williams entered a National contest with her campaign on Tuberculosis, and co-editor Nancy Millar supported a campaign on the Declaration of Human Rights. The staff was welcomed at a party given December 28 by Frank Williams and Russell Kelfer at the Williams' home at Lake McQueeney. The group sponsored a paid show March 1 featuring Ruth Howell and her violin. Several staff members attended and entered the contests at the Interscholastic League Press Conference at Austin in May. The Declaration staff works earnestly day-by-day to give the students of Jefferson a newspaper of which they can be proud.

Distributive Education Clubs of America has a local chapter here at Thomas Jefferson, also affiliated with the Texas Distributors' Clubs. Present or past trainees of the Distributive Education department are eligible for membership. The aim of the club is to study the role of the retail, wholesale, and service salesperson in the modern economy. The club also provides for social activities of its members, who work in San Antonio business houses in the afternoon and on Saturdays. The wrapped package is the last step of a job of distribution well done. So in the center of the diamond-shaped Distributors' emblem, we find the glorified package. The club colors are blue and gold. It wasn't long after school started until we had finished asking each other personal questions—Where do 'ya work?—What do 'ya sell?—Work on Thursday nights?—etc.—Miss Otela Kelly gave us all a personality test to help us understand ourselves and our customers. (We're beginning to hear quite a bit about this "V. I. P.", the customer.) Mrs. Payton Kennedy spent a couple of hours with us explaining our "inside" and our "outside" personalities. It was really interesting. A big city-wide D.E. skating party was held at the Roller-drome with Thomas Jefferson as "hosts" and all San Antonio D.E. Clubbers as guests. Jeanie Golden, our president, introduced Miss Irene Lunt of Tobe-Coburn School of Merchandising to girls from the "Home Ec" department, and of course to our own career girls. We heard about opportunities in retailing and were inspired. At a Hallowe'en party at Patsy Myers', we

enjoyed costumes and great fun. We took a field trip to Edison High School to hear an expert tell us how to sell—Mr. Borja of Frank Brothers entertained and instructed us. And the next week another expert on salesmanship, Mr. Frank A. "Pat" Patterson climbed on one of our classroom tables to make a point, putting us in stitches, and leaving us weak from laughter, but wiser. Edison High D.E. students were invited. With a huge truck, lots of hay, wieners, and people, we and our guests went on a hayride to Helotes. Another Sunday afternoon a skating party was held at the Roller-drome—more bruises Monday morning—and a little more money in the treasury. This was our Christmas party. Mr. Murrah, president of the Jefferson State Bank, came to watch a training film in banking with us—then did a super job of giving us a few facts we should know about banking. And Mr. Smith of Monroe Calculating Company talked to us one day about the place of business machines in modern business. A fudge sale! Even some of the boys whipped up a batch which we sold for profit. A smooth looking representative of Revlon showed us how business girls should "make-up." The boys in the class had some ideas of their own to contribute. Off to the State Convention at the Shamrock in Houston went Jeanie Golden, Al Fries, and Irene Frederick, taking our scrapbook and some of our workbooks to "show off." Jeanie Golden was elected as a State delegate to the National Convention in Tulsa, Oklahoma.

The Euclidean Math Club, under the leadership of Miss Ida Mae Murray, was originally the Pythagorean Math Club, organized at the Main Avenue High School in 1924. The club was reorganized in 1932 at our school by a group of young mathematicians, taking the opportunity to become better acquainted with the rich field of supplementary material. The club was named for Euclid, "The Father of Mathematics." Its purpose is to increase interest in mathematics and to form friendships among students who like mathematics. The Math Club pin is composed of a black pentagon with a gold "E" in the center—the black for the strong ambitions of math students, the gold symbolizing a bright future. On the eighteenth of last November old friendships were revived and new friends were made as new members entertained old members at the annual initiation meeting in Olmos Park. The initiation consisted of puzzling lipstick designs upon faces of puzzled initiates, a mass of tangled hair tied with

string, a three-footed race, and the usual feeding of the slimy raw egg and other fearful concoctions made by the old members. After much fun and frolicking, the initiation was climaxed by a delightful picnic. Another initiation took place at the house of Rudy Mueller, the Club's president, for the new members who were unable to attend the one held at Olmos Park. The club also plans an excursion each year to points of mathematical interest, as the Weather Bureau, an astronomical observatory, or surveying trips. A transit was made by two club members, and the meetings are sometimes adjourned to the campus to do a little surveying. The Math Club presents an annual assembly each spring. Also in the spring, the Math Club sponsors the annual competitive mathematics examination for seniors, for which the winner is awarded the coveted Math Prize. This grand old club is supported by members with "A" or "B" average.

The Fine Arts Society was founded in 1941 by the fourth period art class. It has since been under the sponsorship of Miss Ruby Evelyn Dugosh. The formal installation of officers was held at Patsy Hinze's house on October 19th. On November 19th a very enjoyable sketch party and social was in progress at Elaine Aniol's house. There the club members drew pictures from newspaper clippings. One of the last sketch trips of 1950 was at Brackenridge Park on December 19th. The tour consisted of a visit to the Archpenko's exhibit of sculpture at the Witte Museum. The members have also attended the Sunday Lecture series in the Museum.

The Hayne Debating Society, founded in 1885, is the oldest boys' club in Texas. It is named for the famous statesman, Robert Young Hayne. The purpose of Hayne is to further understanding among students and promote school activities. On September 13, which was the first meeting of the Fall Term, the officers and mascots were elected. On September 20, the first social was held at Mustang Corral, honoring prospective members and mascots; many thanks to Mr. Roy Arrowood, sponsor. On October 4, forty

The Homemaking Club was organized in September of 1949, under the sponsorship of Misses Marguerite McFarland and Opal Hughes. The girls strive to include in their program activities related to Fashion, Food, and Fun. Carrying good cheer to shut-ins is another one of the clubs' many projects. Membership requires only a special interest in homemaking. The Homemaking pin is silver with a Betty lamp, the three F's, and the date of graduation placed upon it. The club's colors are yellow and green. The initiation of new members was held in October with games and delicious refreshments. We were honored with a demonstration, given by a renowned caterer of hand and tube flowers on some of our cakes in November. A Valentine party was held with Elizabeth Holst and Bernadine Atnip as hostesses. March brought our annual tea honoring the P. T. A. with a beautifully decorated table set in the main hall. Later Mary Lynn Baines and Ginger McIntosh gave an Easter Party. In April, the Juniors honored the graduating Seniors at a dinner at La Fonda. May saw us visiting the hospitals, baking cookies, and having a wonderful time at our picnic.

The Horizon Club was organized in September of 1949 and is a chapter of the national organization. Co-sponsors are Mrs. Austin Williams and Mrs. Glen Krueger. The aim of the club is to give girls a guide to fun, glamour, service, and careers. Hallowe'en found Horizon Clubbers giving a party for their "adopted" cottage at the Mexican Baptist Orphan's Home. Hallowe'en night they put on a fish pond at the carnival at Woodlawn Lake. At Christmas each orphan at the cottage was remembered with a gift from the girls. Novel scrapbooks were made for the patients in the Polio ward at Robert B. Green Hospital. The home of Mrs. Austin Williams was the scene of a going away party in honor of Celia Britton on January 23. The new girls at Jefferson were honored at a tea on January 30. February 10, members and their dates held a "weenie" roast at Olmos Park.

The "J" in "J" Club signifies the "J" that is placed on the sweater or awards given to lettermen in the five major sports at Jefferson High School, namely: football, basketball, track, tennis, and golf. The club is open to lettermen in these sports. The club motto "teamwork" stands for the healthy relationship among students, athletics, and faculty and for the co-operation among teammates so necessary for the winning teams which Jefferson has produced. Through participation in athletics, the "J" Club members are allowed an opportunity to build true character and sportsmanship, which signifies school service of utmost value and importance. The club colors of red and blue, on a diamond-shaped pin with a "J" embedded in the center, are symbolic of the loyalty of the members to their school. Annually, the highlight of the "J" Club is the barbecue and "fun day" held in the spring, usually at New Braunfels. In addition to this, the "J" Club sponsors an assembly and a pay show each year. Several parties are given by individual members after each sports season. Founded in 1944 by Coaches Barlow Irvin and Harry Hamilton, the sponsors are now the coaches of the four major sports: football, Jewel Wallace; basketball, Harry Hamilton; track, Vernon Walenta; and tennis, T. A. Abbott.

Jeff Hop, founded in 1949, is the first dance club in Jefferson. It was organized by Misses Julia Oliphint and Florence Langford. Now sponsored by Misses Augusta Boyle and Mary Wheat, the club is hoping to interest all Jeffites in becoming good dancers at a low cost. A very attractive Arthur Murray dance instructor is the envy of all when she glides across the floor demonstrating how a dance should be done. An end-of-term dance on January 19 proved to be a wonderful time for all, with the floor-show spot-lighting our dance instructor and her partner. The Latin Club, one of Jefferson's oldest, was organized at Main Avenue High School by Miss Pearl West. The present sponsor is Miss Gladys E. Morgan. Its emblem is a gold scroll with a cluster of laurel leaves and an "L", superimposed on a purple background, the colors of the club being purple and gold. The Latin Club has lived up to its object of furthering the interest of students in the Latin language, while at the same time promoting sociability among Latin students. In September a meeting was held in Olmos Park, and in December the annual Roman Saturnalia meeting was held, when Latin Club members sang melodic songs in Latin for enjoyment. An amusing assembly was given on the Ides of March, from a script written by one of the members, Elaine Aniol. In May, awards were given to Latin students, both in first and second year Latin, for having made the highest grades.

their appearance as honored guests of the American Softball Association where they roped and drilled in a glorious exhibition. The Lassos represented the twelfth man on the football squad by cheering the Mustangs to the District play-offs. For the first time, at the Austin game, the Lassos wore their newly acquired boots. Then came the game of games, for on November 23 when Jeff played Brack, the Lassos, under the direction of Miss Augusta Boyle, performed card-tricks and put on an impressive half-time drill. On

December 1, by special chartered train, they journeyed to Houston, filled with spirit which never broke until the game was over. Their half-time drill was very appropriate because they honored the city of Houston and her industries and also their own home town. The Lassos honored the football boys with a banquet at the Original Restaurant on December 18. October 20 was the date for the wonderful Lasso Backward Dance which was enjoyed by everyone

who attended. Their spirits were still high when the basketball season rolled around. Again, with their usual enthusiasm, they cheered the team on to victory. As usual they looked forward to Fiesta Week when they do a fine job of marching in the many colorful parades. Finally the long awaited Lasso Show with Chuck-Wagon arrived. It will always be remembered as a most memorable day at school. The show was one of the best yet. All in all, it was a great Lasso year.

Martha Jefferson Randolph Society

Martha Jefferson Randolph Society, sponsored by Mrs. Mary E. Taliaferro, was founded at Jefferson in 1933 as a social and service club. The purpose is to serve the school in every way possible and to promote better friendship among its members and the student body. The club is named in honor of Thomas Jefferson's beloved daughter, and the pin symbolizes the door of Monticello, Thomas Jefferson's home. The well-loved colors of the club are green and yellow. Regular meetings are held each Wednesday in room 126. The many social events of the year began with the Tri-Club tea given in September for the new girls in Jefferson so that they might become acquainted with the members of the various clubs. This was followed by the election of the new members. As their initiation they presented a brilliant talent show for the old members. Their solemn initiation was held in October and was

an inspiration to all who attended. Before the Christmas holidays, M. J. R. for the fifth straight year, won the Club Annual sales contest with 289 per cent of its membership, which proves the club an outstanding leader in school service. The Christmas spirit was celebrated with a lovely brunch which was enjoyed by all, and a beautiful formal dance given in the gym on December 20th. It was the tireless work of all the members in the decorating and planning of this dance that made it such a tremendous success. The new spring term began with a Valentine tea given in honor of the graduating seniors. In March the annual Hayne-M. J. R. dance was held and everyone had a wonderful time. The Hayne-M. J. R. social again provided a closer unity between the brother-sister clubs. Climaxing the year was another big party given for our honored seniors and the announcement of the new president for the year 1951-1952.

The Jefferson chapter of the National Honor Society received its charter from the National headquarters of the organization in 1932. Its purpose is to promote character, scholarship, and leadership and to render service to the school. The emblems, which members may wear, symbolize these cardinal principles. Every April, five per cent of the highest ranking juniors and ten per cent of the seniors in the upper third of their class are elected. The formal initiation is followed by a reception in the halls for parents, faculty, and members. One of the highlights of the present year was a social given by the sponsor in October. For the sixth consecutive year one-fourth of the group, seven members, competed by taking a G. A. T. for the \$7,000 in scholarships and awards given by the National Association to the forty-five highest ranking contestants in the United States.

The Scribblers Club was organized in 1934 by thirteen "A" English students from one teacher's class under the sponsorship of Mrs. Ethel West Weaver. The present sponsor is Miss Florence Durrett. Purpose of Scribblers is to further appreciation of good literature and to inspire members. Only requirements for membership are: interest in English, "B" or "A" average in English, and recommendation from English or Journalism teacher. The Scribblers held their initiation in Olmos Park in October. The members also enjoyed a very delightful picnic. The Hallowe'en party was held at the lovely home of Pauline Lyon. Refreshments, games, stunts, and songs were enjoyed by everyone.

Carol Day Price's home was the scene of the Christmas Party. A Christmas play was presented by members and Christmas carols were sung after the refreshments were served. To further the patriotic feeling at Jefferson the Scribblers sponsored a "Learn Your National Anthem" contest. Also copies of the "Star Spangled Banner" were distributed to all the students at Jefferson. In February the members were entertained by a play presented by fellow members. The title of the play was "Come With the Breeze," written by members of Scribblers. In the Spring term the Scribblers had more wonderful parties, a spring picnic at Olmos Park, and talks by men in the literary world.

The Senate Debating Society was founded in 1912 at Main Avenue High School and was reorganized at Jefferson in 1932 under Mr. E. E. Edwards. Later the club was guided by Mr. Roy Arrowood, Mr. W. E. Montgomery, and then Miss Mattie Sharp Brewer. The Senate is now sponsored by Mr. C. E. McDaniel. The Senate endeavors to develop initiative and leadership among its members; it fosters worthy school activities; and it creates a better social understanding among the students. Requirements for membership are good scholastic standing and exemplary character. The Senate's current social year began September 27 with a coke and doughnut social honoring mascots and prospective members. On October 4, thirty-seven new members were elected into the Club, and their informal initiation was held October 19-20. On October 10, the Senate won the club basketball tournament, and one week later the club reached the finals of the intramural basketball tournament. October 28 was the night of the Senate formal initiation at the home of Prexy Richard Goldsmith. The December 15th Christmas social at the

This dance will long be remembered for its wonderful location, sweet music, delicious refreshments, and delightful entertainment. March 20 has gone down in history as the date of the great Senate Show, a laugh riot. March was also the month in which the newly elected members were sworn into the club at the initiation dance. On May 27, the entire club went on an outing at Landa Park, given by the club mascots. May featured our spring overnight outing to Garner State Park and also a farewell party for the seniors. The Senate wishes to thank Mr. McDaniel for his inspiring leadership and help in development of character. To Mr. "Mac" goes the credit for the repeated success of the Senate in all endeavors.

The Student Council of Thomas Jefferson was organized in the year 1932. Since then it has played a leading role at Jefferson as one of the most active organizations in the school. The Student Council promotes those activities which are of service to all students at Jeff. It is the sounding board of the students' opinions on activities and important matters affecting the welfare of the school. Under the excellent guidance of its sponsor, Miss Florence Langford, the Council carried out these traditional projects: checking out state textbooks to students; keeping the school calendar of assemblies and social activities; sponsoring the installation and presentation of school leaders; arousing school spirit for football and basketball games; managing the Lost and Found

preceding night's performance. The band's members represented Thomas Jefferson in Austin in a marching contest on October 20, before having the privilege of seeing the Texas-Arkansas football game. The musical organization had its annual celebration at "Youngblood's" on October 27, 1950. Everyone had a wonderful time at the party where fried chicken, rolls, tea, and delicious apple-pie were served. San Antonio, the home of the military for the past 100 years, was the scene of a gigantic celebration on November 1, 1950, for the Centennial Military Day. Distinguished generals, civic leaders, and the two stars, Maureen O'Hara and John Wayne, were present. Our band supplied the

musical background for the program. The musical students were given passes to the World Premier of the movie "Rio Grande." On November 11, our school was represented by this fine marching organization in the Armistice Day Parade. The band played on November 21 for the pep-rally held at the Woodlawn Theater for the support of our fine football team and on November 29, 1950, for the Bexar County Student Leadership Association held at Jefferson. The members received their beautiful sweaters on November 29, and December 12th was the day on which they were presented certificates at an assembly by Mr. Rogers for their contest work. After the presentations, a concert of varied selections of music was given for the school students. January 31st the band played for the "Mother's March of Dimes," and on the following day gave its annual concert. In February, some of the most accomplished musical students went to Galveston for the All-State Band and Orchestra work, and in the same month the band had a dance. On March 29, the band entered the State Regional Band Contest. The organization also took an active part in furnishing the music for the Military General Inspection of our other uniformed groups in Jefferson.

Chartered December 19, 1947, the Tom-Tow began a new tradition in Jefferson — a co-ed social club with Miss Mattie Sharp Brewer as sponsor. The members have all kinds of parties. The one at Mary Catherine Donahue's, September 27th, was wild with fun. No one can plan happier initiations than that one. With Jimmy Fite as comedian, every meeting has been exciting. November 11th is a serious date for Americans, so the Tom-Tows took seriously their annual assembly on that date. The pathos and glory of three wars were presented this year. Nothing could have been more colorful than the dance at Carolyn Fairall's playroom—an ideal place plus good music. January 14th was a date to be remembered. The wiener roast January 31st at Barbara Bradshaw's brought out the full membership. The key to the club name is the initials WOMEN OF TOMORROW and MEN OF TOMORROW spelled backwards.

Talents Incorporated

Talents, Inc., which is sponsored by Miss Vivian Arstein, was organized for the purpose of promoting an interest in entertainment and providing experience for amateurs in this field. During the month of November the club took a show to Brooke General Hospital and provided the entertainment for a carnival at Temple Beth-El. Diane Black's house was the site of their Christmas party. Talents, Inc., sponsored the floor show for the Student Council's Christmas dance and gave a show for the Professional Business Women's Association in the St. Anthony Hotel's Pereaux Room. An elaborate dinner was given in April honoring the seniors. Many scheduled performances for members of Talents, Inc., rounded out the year.

Drill Team

The Thomas Jefferson High School Drill Team was organized with the R.O.T.C. unit at Main Avenue High School in 1918. There have been many changes in the size and composition of the organization since then, but the ideals and standards will always remain the same. The boys are bonded together as a true team by the disciplined co-operation and co-ordination in which they work. The purpose of the Drill Team is to represent Jefferson in competitions and ceremonies. Every year the team has many chances to carry out these traditions. There are football games, street parades, reviews, and school competitions in which they participate. This year's drill team has upheld the honors of the previous teams and even more so. Not only has the team done more than its share of entertainment, and been judged the best drill team of San Antonio, but each member has been awarded a school activity letter by Mr. Rogers for outstanding performances. There is still a greater reward than this. It is known only to the individual who experiences it. When you march upon the field under the command of the leader that you have loved and respected, you absorb and radiate the confidence of perfection which he gives you. You know that you are perfection. You march like a machine — like a unit — like a team. This reward through satisfaction is the greatest reward that there is.

The Girls' Cadet Corps was founded in 1933 as the "Sponsors' Club" under the sponsorship of Miss Mattie Sharpe Brewer. Membership is limited to girls with twenty-five credits, a "B" average, good posture, a good attendance record, and military aptitude. Under the present sponsorship of Miss Ona Marschall the group has 37 members. The purpose of the club is to set examples of good character, good scholarship, dependability, and friendliness. The club project is to bring cheer to a needy family through contributions of clothing, food and money. The group attends church as a unit once a month. Service includes two trips to games in Austin and Houston. Social activities included a dance with the R.O.T.C., Mother-Daughter Tea February tenth at the home of Elaine Wulfe, and the Military Ball. Motto of the club: The value of service depends not upon the glory of the position but the spirit with which it is rendered.

September 15 — The Mustangs opened the 1950 season with a 6-0 defeat at the hands of the Tivy Antlers of Kerrville. Although beaten, the Ponies' line, led by Jerry Pyle and Tommy Hairston, showed promise of great things for the future. The Mustangs' running attack was led by Billy Quinn and Bob Hundley.

September 22 — Fighting back after a defeat by Kerrville, the Mustangs overpowered the mighty Corpus Christi Buccaneers 6-0. Billy Quinn scored the first Jefferson tally of the year on an eighteen yard scoring gallop over his own right guard. The whole Jeff line was outstanding on defense, with Knebel and Hairston romping in the Bucs' backfield all night.

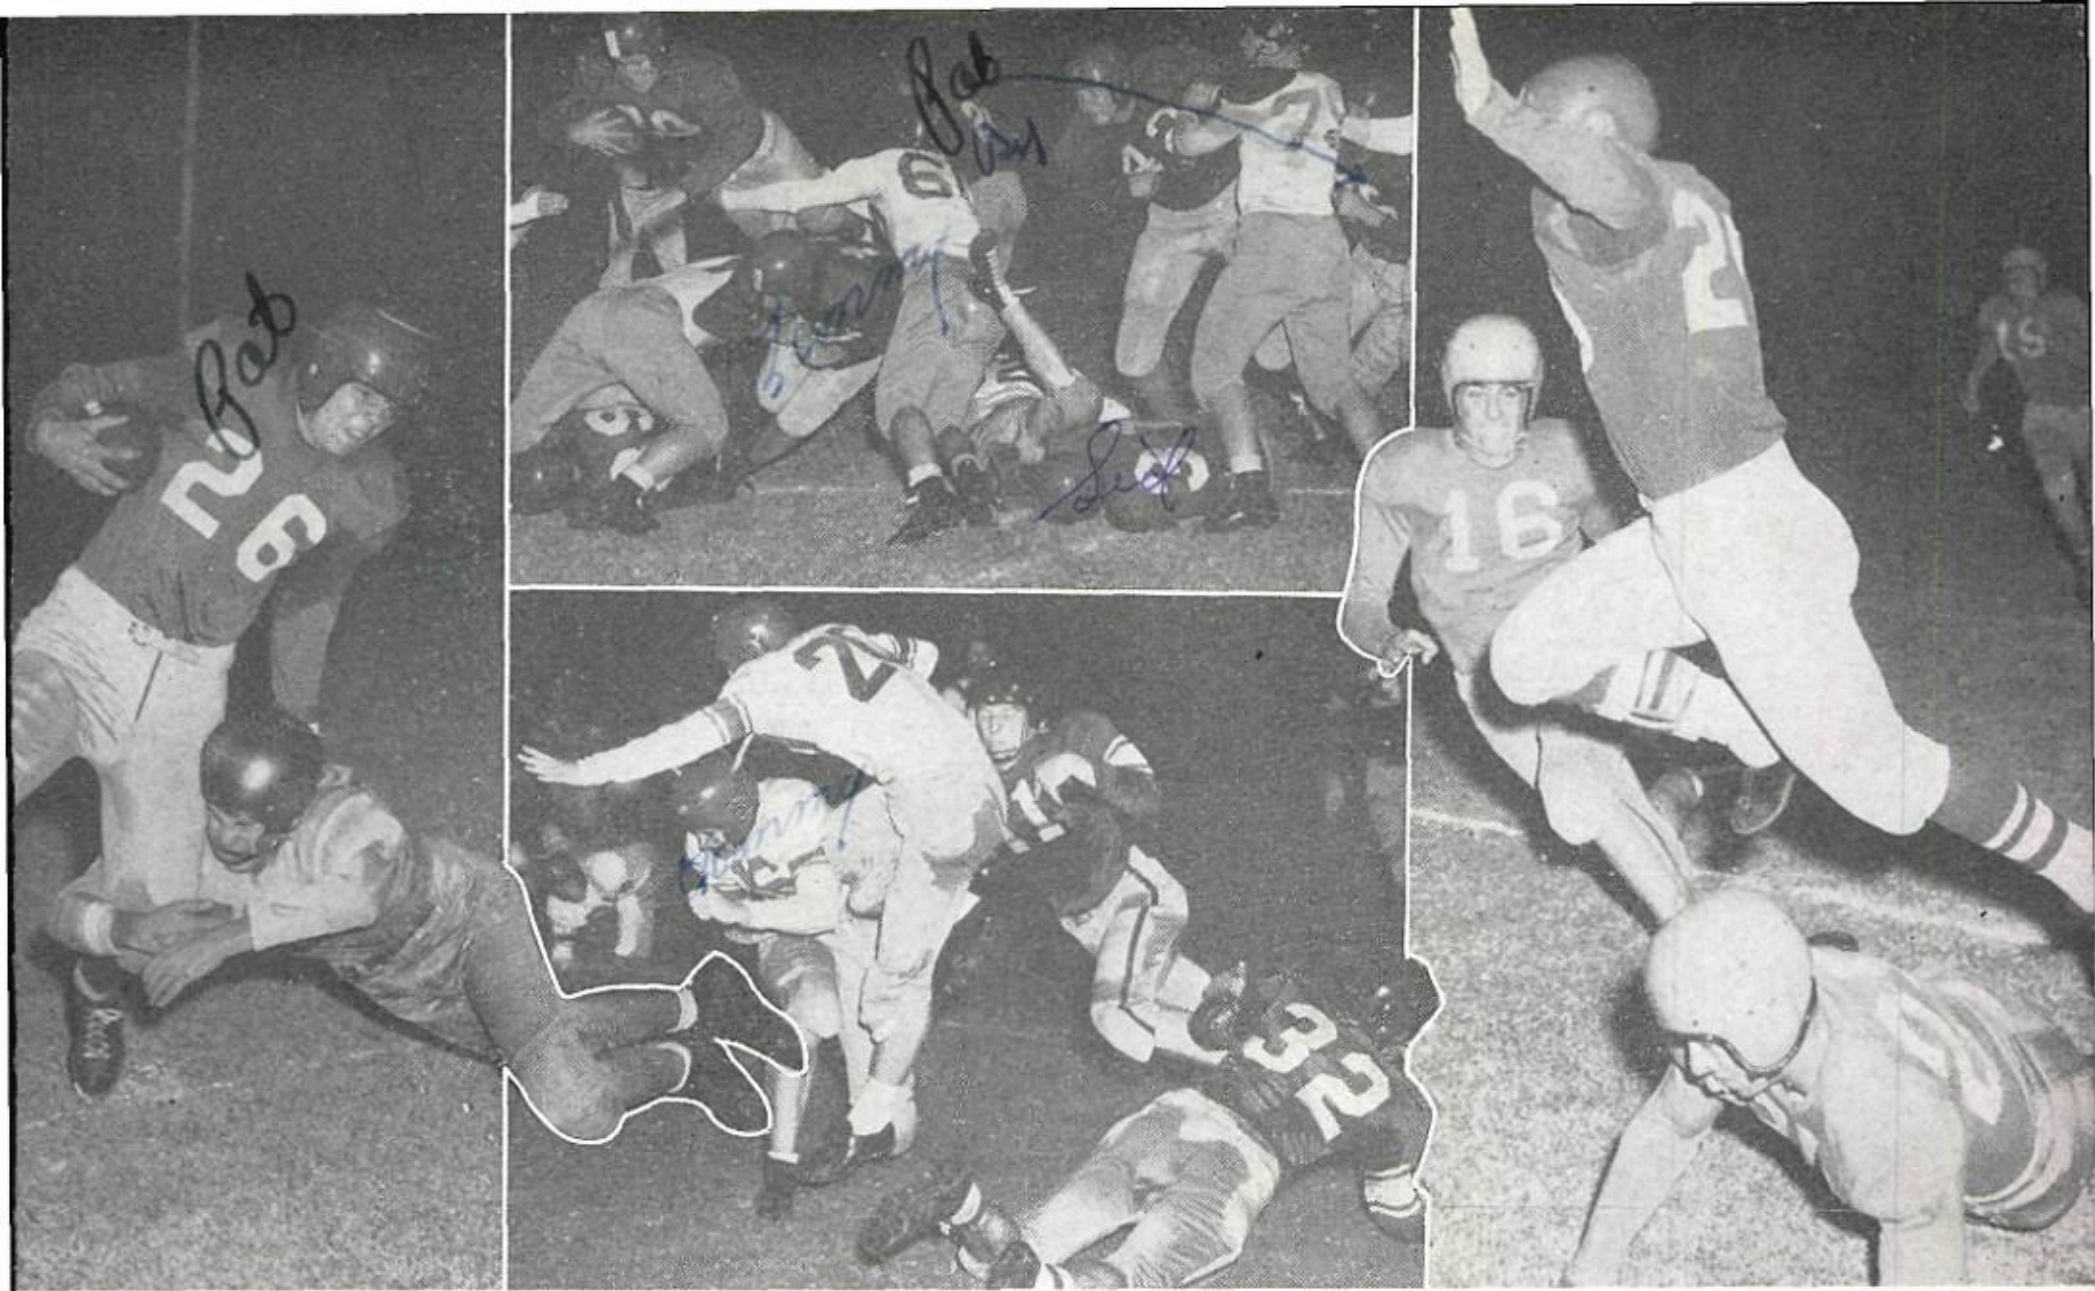

September 29 — Playing their best game of the year, the fired-up Ponies won their first victory in House Park since 1934 by defeating the favored Austin Maroons 27-0. The great Pony line overpowered their heavier opponents holding Austin to 86 yards rushing. Hundley and Quinn led the Mustang offensive attack with Hundley scoring twice and Quinn crossing the stripe once. Pat Tolar tallied once and converted three times.

October 7 — The Mustangs opened their district play by pounding the Edison Bears 59-6. The Bears were never a threat as the Mustangs cleared the bench. Billy Quinn led the scoring parade with four touchdowns, Bob Hundley getting three, and Sidney Douthit and Paul Williams one each. Pat Tolar converted five times. Douthit, the city's highest scoring center, tallied on a 79 yard pass interception. The mighty line, spearheaded by Douthit and All-State Eric Knebel, held the Bears to 52 yards rushing.

October 12 — Stronger than ever, the Mustangs overpowered the Lanier Voks 81-6. Reserves played almost the entire game and what a game they played. Connie Orr and speedy Earl Tritt each scored three times. Quinn, although playing very little, also tallied three times. Dan Blenis, Jerre Kneip, and Paul Williams each scored once with Pat Tolar converting eight times and Tommy Albright once. The playing of the reserves gave notice of a bright future next year for the Mustangs with the running of Orr and Tritt up to par with that of the regulars.

October 27 — The thundering herd of Mustangs roared to a 34-0 victory over a highly vaunted Harlandale team. The playing of end Malcolm Kitchens was outstanding as he smothered the Harlandale backs for losses, time and time again. The scrappy Indians were never in the game as the powerful Mustang line held Harlandale backs to a minus 14 yards. Quinn pounded to four touchdowns and Hundley one.

November 3 — On the coldest night of the season, the Mustangs blasted the Tech Buffs 46-6. It was Malcolm Kitchens playing another fierce game at end, as he was responsible for two touchdowns for the Mustangs, before they had the ball. Kitchens, after setting a Buff passer back on the three, blocked a Buff punt, and hard charging Tommy Hairston covered in the end zone for the first score. Minutes later, Tech tried a pass, Kitchens waylaid the pass, and the ball squirted straight up in the air with Dan Blenis taking it on the fly and going 40 yards to score. Two touchdowns each by Quinn and Hundley and one by Earl Tritt with Tolar converting 4 times was the remainder of Jeff's scoring.

Turkey Day, Upper:—Williams (22) with the ball on a reverse. **Center:**—Hundley (21) speeds around right end for a touch-down. **Lower:**—Tolar throws a pass to Alejandro as Hundley blocks.

November 11 — The Jeffs retained their point-a-minute pace, stomping the Burbank Bulldogs 55-7. The Mustangs opened up with a passing game with Pat Tolar and Tommy Albright completing 10 out of 19 heaves for 130 yards. Quinn and Hundley

each scored twice and Orr, Blenis, Williams, and Tritt once each. Tolar kicked six extra points and passed to Orr for another.

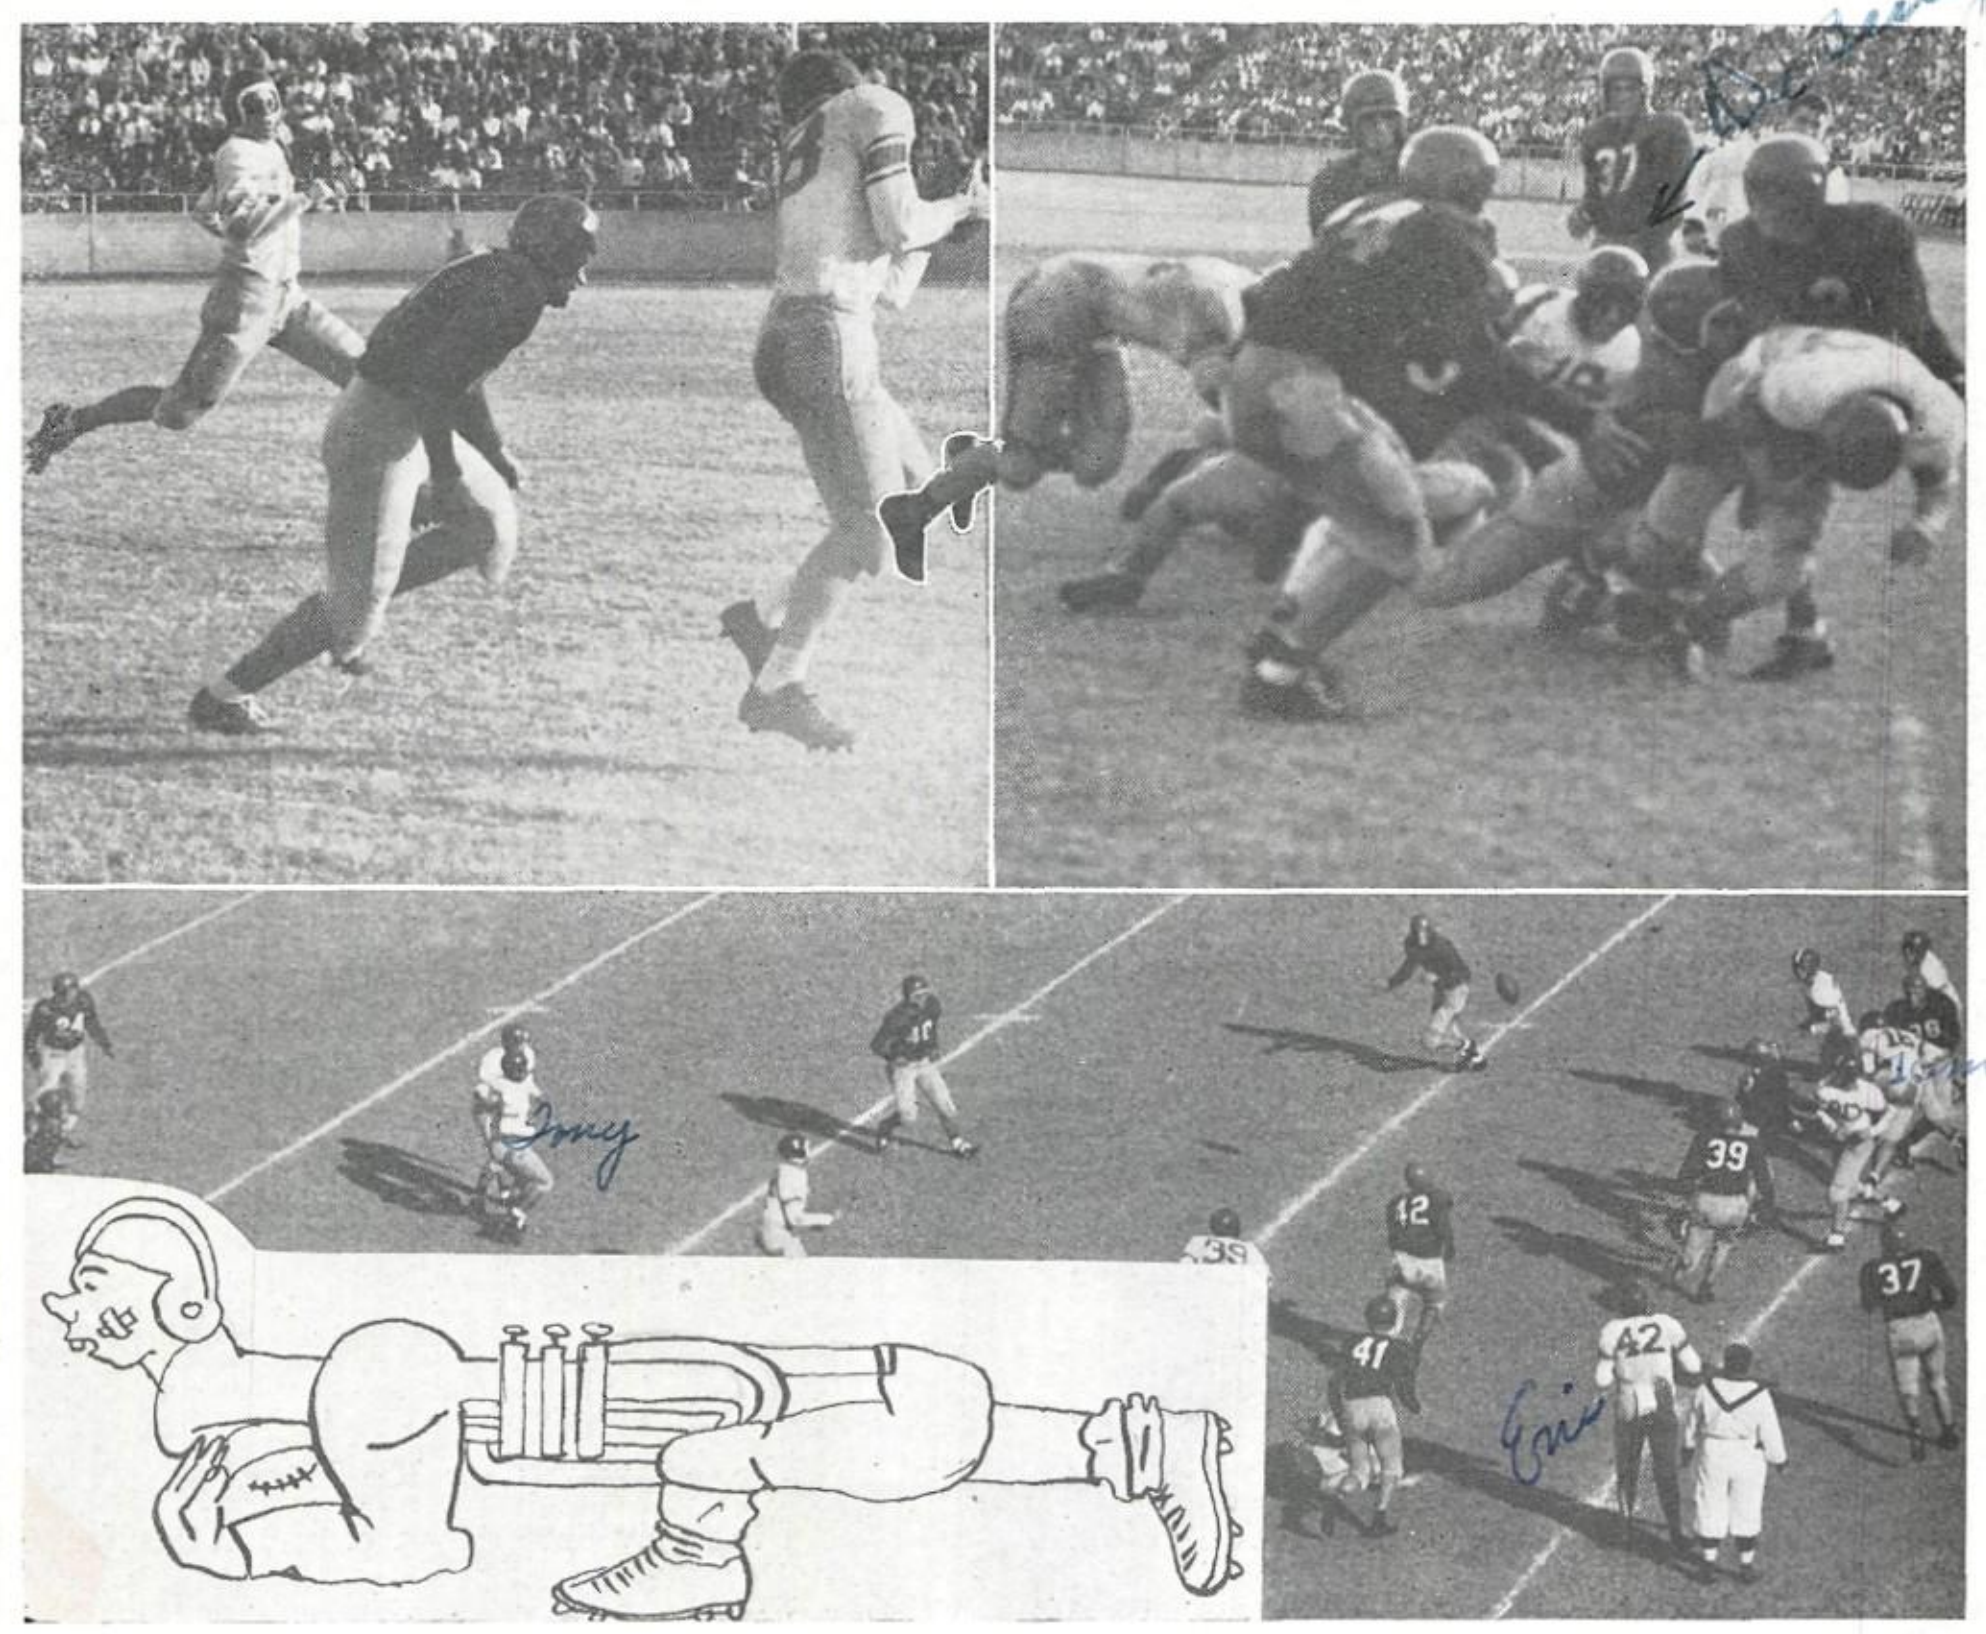

November 17 — The thundering Mustangs continued their deadly pace, trampling the Alamo Heights

Mules 42-0. The Mustang tallies came like bolts of lightning with Quinn racing 92 and 81 yards for touchdowns and Hundley scampering 82 yards for another. Center Sidney Douthit added six more points with a 31 yard pass interception; Douthit, Hairston, and Knebel did the blocking in fine fashion; and reserve ends Antonio Alejandro and John Johns performed like veterans.

November 23 — In a game that won the district championship for the Jefferson Mustangs and lost seven pounds for Coach Wallace, the fighting

Mustangs came from behind to defeat the Brackenridge Eagles in the annual Turkey Day tilt 25-21. The game was nearly too much for everybody in the stadium. The Jeff fans' chins were on the ground as Warren Anderson crossed the goal line to put the Eagles ahead 21-6, but the fighting Mustangs showed they had plenty of heart by coming back on a 58 yard scoring pass from sophomore Connie Orr to Malcolm Kitchens. Still needing two touchdowns, the Mustangs, led by the quarterbacking of Pat Tolar, scored once more on a quarterback sneak. Then Earl Tritt started the final drive on a

December 1 — Going into their third semifinal game in as many years, the Mustangs ran into a highly fired John Reagan team and went down in defeat 35-0. As Coach Wallace said, "We just got an old

fashioned country licking." Bob Hundley received a head injury in the opening minutes and was unable to play the rest of the game. Everything seemed to go wrong for the Mustangs as they fumbled the only time they were near the Reagan goal line.

The Mustangs battle Edison. Upper:— Scott gets the jump on the Edison Bears. Lower Left:— Alexander and his famous hook shot. Lower Right:— The champ does it again.

January 5 — Starting the season right, the Mustangs whipped the fired-up Harlandale Indians 51 to 44 in their first district game. Alexander took the scoring honors. **January 12** — Jeff beat Burbank 55 to 45. Alexander, Bruchmiller, and Oosterveen each pitched in eleven points, and Rodgers had ten to show how well the Mustangs shared the points. **January 15** — The Red and Blue took their third

straight victory by defeating the Tech Buffs 43 to 36. Alexander was high point man despite having a nail removed from the index finger of his left hand — a result of having banged a car door on it. "Chile" Rodgers followed close with ten points. **January 18** — The Ponies downed Edison, 51 to 20. Alexander wound up his career in fine fashion. He roamed the back court like a demon, picking up

rebounds right and left. He tallied eighteen points and Oosterveen scored twelve. **January 22** — Suffering from the loss of Alexander, the Mustangs suffered their first district loss at the hands of the Alamo Heights Mules 48 to 54. Talerico was high point man with thirteen points. Rodgers was close behind with ten points. Bruchmiller and Scott both had nine points. **January 27** — The Red and Blue were dealt a crippling blow by the Lanier Voks, as they received a 51 to 34 thrashing. **February 2** — After losing two games in a row the Mustangs smothered the Eagles 53 to 34. Scott had fourteen points, and "Chile" Rodgers followed close with twelve. **February 6** — The fighting Mustangs came up in the last quarter to whip the Harlandale Indians 55 to 41. Oosterveen was high point man with sixteen points. **February 8** — The Nags kicked a herd of Tech Buffaloes for a 54-35 loss. **February 14** — With every reserve seeing action the Mustangs walloped Burbank 50 to 35. Barry Scott paced the Red and Blue with twenty-two points. **February 16** — The Stallions barely slipped by the fighting Edison Bears. Reserve Carroll Smith took the scoring honors with nine points. **February 20** — Defending champion Jefferson got knocked off by the Mules for the second time, falling 48 to 32. This defeat put the Ponies into third place behind Lanier. "Chile" Rodgers led with thirteen points for the Nags. **February 23** — In one swift upset,

Jefferson moved back into second place in the City Conference race by turning the tables on Lanier 52 to 47. Scott had twelve points and Tolar and Oosterveen had eleven each. **March 1** — The Mustangs were upset by their arch-rivals, the Brackenridge Eagles, 54 to 42. Had Jeff won, a trip to the City Conference tournament in Dallas would have been earned. Nevertheless, the Mustangs played outstanding basketball throughout the year and finished in an enviable position.

March 8, 1951 — In the initial meet of the season, Jeff's tracksters amassed 87 points to 31½ for Alamo Heights and 26½ for Tech to capture the triangular meet held at Alamo Heights Stadium. The Ponies were paced by Jerre Kneip, a double winner in the hurdles, and Tommy Hairston who took first place in the discus and was second to teammate Eric Knebel in the shot-put. **March 16, 1951** — The surprising Ponies finished only one point behind a powerful Miller High in the Corpus Christi High School Stadium. Again the ponies were led by weight man Tommy Hairston who broke both the shot-put and the discus records. Jerre Kneip tied the high hurdle record of 15.5 seconds. **March 22, 1951** — Finishing first in eight events, the Jefferson Mustangs went on to score a decisive victory over Brackenridge and Tech on the Jefferson home track. Paced by

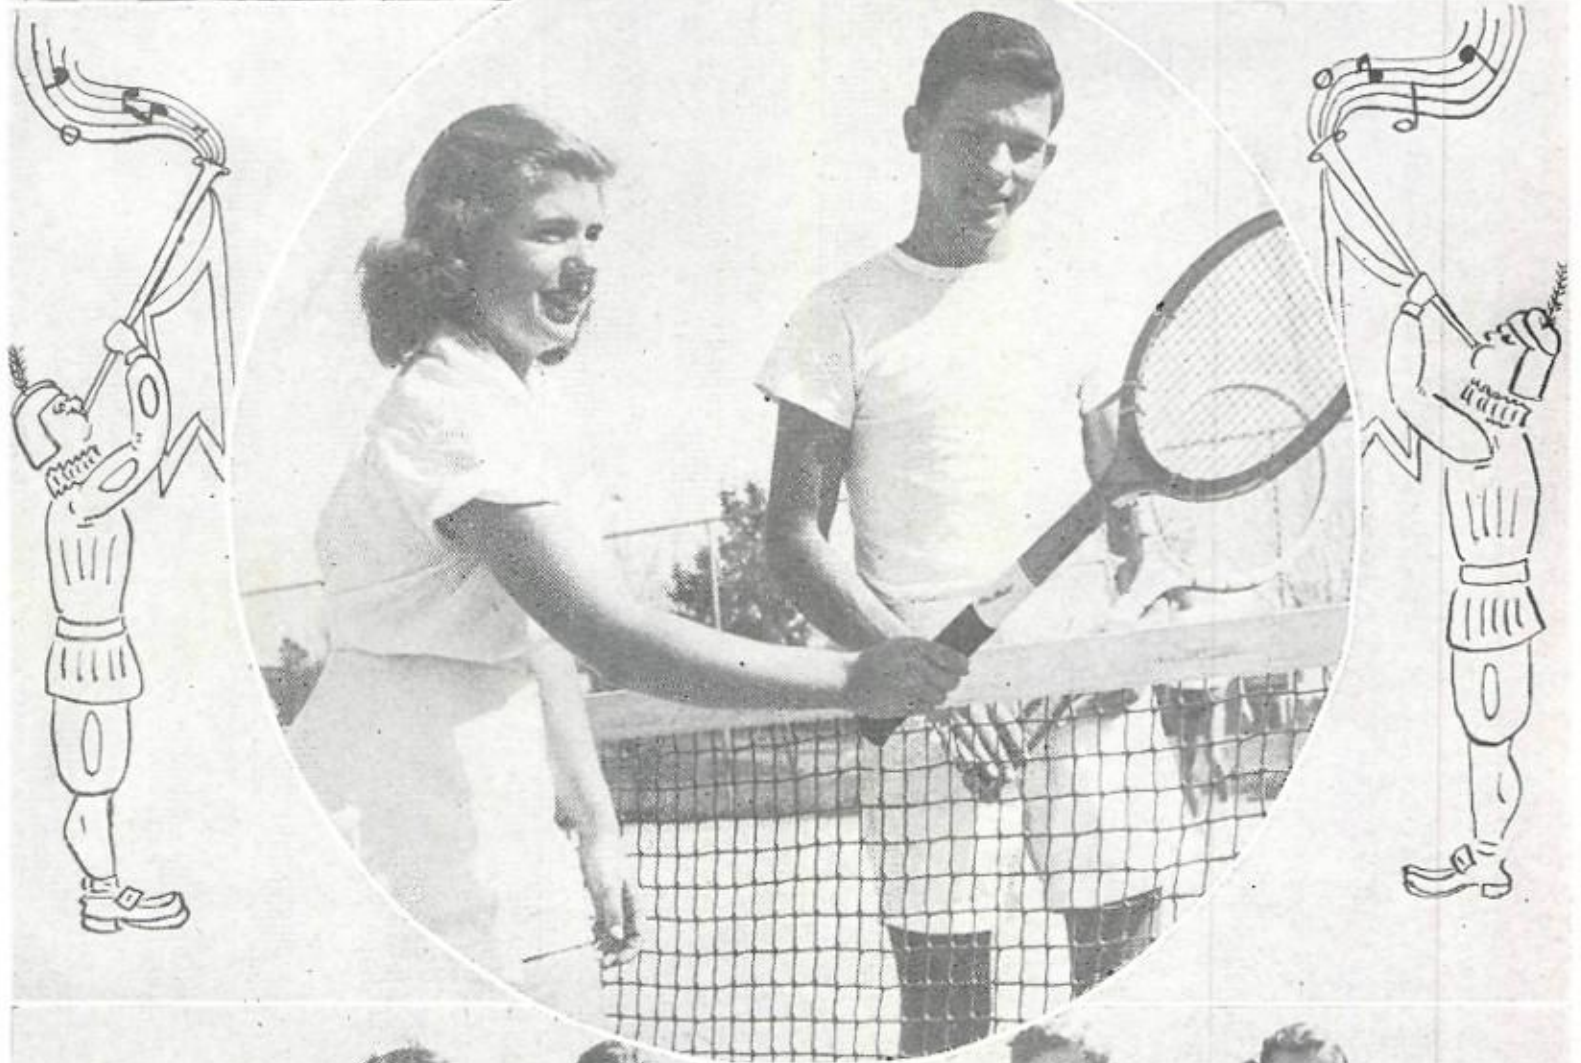

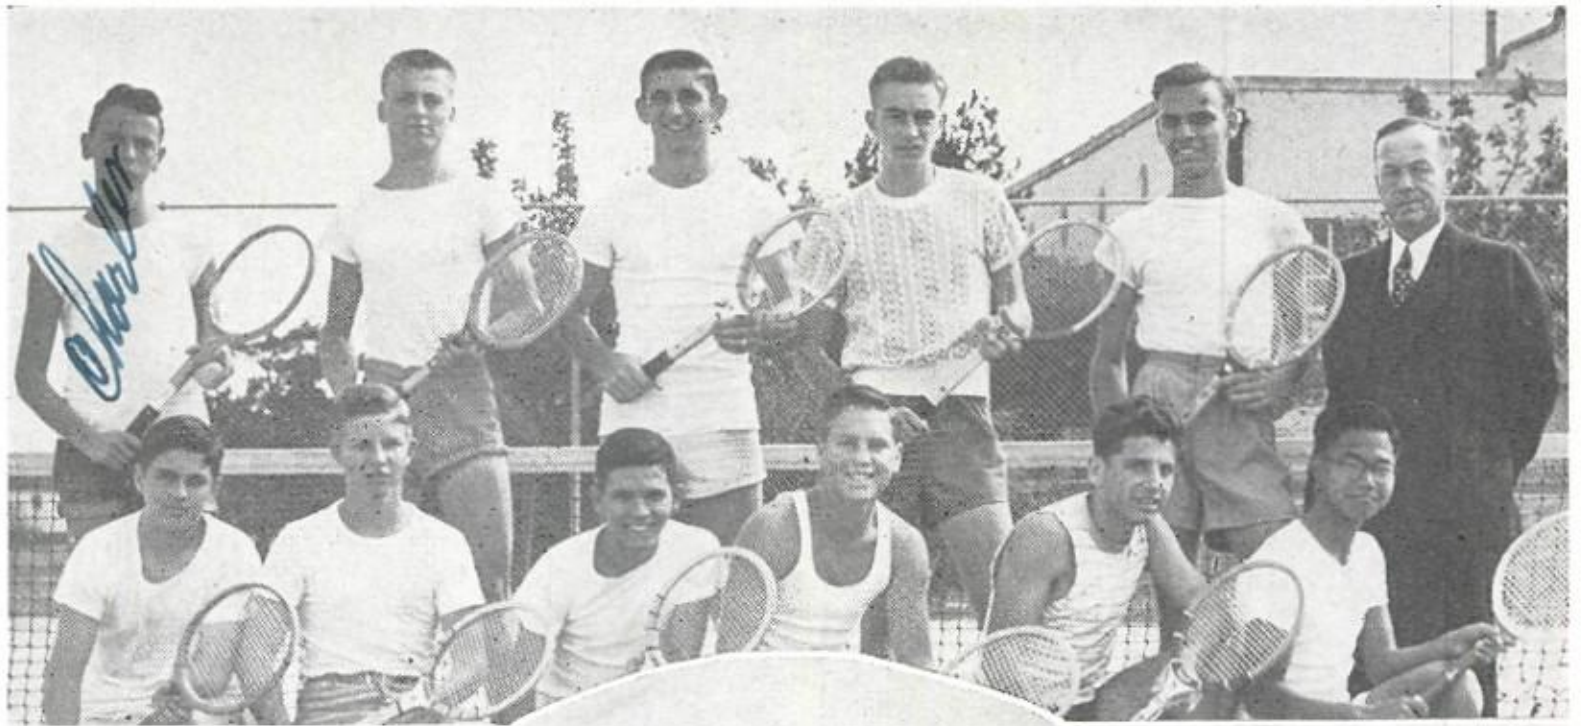

Kneip's double win in the hurdles and Hairston's victories in the shot-put and the discus, the Mustangs tallied 77½ points to 49½ for the Eagles and 21 for third place Tech. **March 30, 1951** — With the cinder sport getting in full swing the Jefferson Mustangs captured the city title from ten other competitors. Jeff's team balance paid off with 52 points to 45½ for Brackenridge. Terry Vettters came through with a victory in the 440 yard dash along with Hairston in the discus and Knebel in the shot-put. Jeff's sprint relay team of Roger Penrod, Earl Tritt, Dale Martin, and Ted Hager, ran a sizzling 44.7 to beat second place Brackenridge by five yards. (Occurring too late for this edition are the following meets: April 7 — Texas Relays; April 12 — District Meet; April 21 — Regional Meet; April 27 — San Antonio Invitation Track Meet; May 4-5 — State Meet.)

School Calendar--Spring Term

(Fall term calendar is on page 89.)

JANUARY

- 20 A new term begins; students register in the usual mad fashion.
- 26 A closed sock dance is held by the Junior Class.
- 31 Unexpected three day holiday because of ice storm — it even snows!

FEBRUARY

- 8 The Skelton Majestic is a big success. Mrs. Hicks is very much pleased.
- 9 Jeff-Shake clubs have an open formal in honor of St. Valentine.
- 22 George Washington's birthday is celebrated by the Senate-Skelton clubs with an open formal. Marvelous dance.

MARCH

- 13 The first religious assembly of the term is presented by the Forum Club.
- 16 On St. Patrick's Day the Skeltons give an assembly abounding in Irish songs.
- 22 As usual, the Easter Assembly presented by the vocal department is beautifully done. No school the next day — Good Friday
- 26 Something new — a Freshman and Sophomore Classes skating party.
- 27 The laugh riot of the year is the Senate show. A bevy of "beautiful" boys in full regalia entertains the school.
- 30 Jefferson's five girls' clubs combine to give a Comic Strip dance.

APRIL

- 7 The Lassos invite the boys to dance, this time at the Lasso Backward Dance.
- 13 I Remember Mama entrances the audience, as the Juniors put on a brilliant play. *Carol*
- 16-17 Student Council elections. Five candidates make rousing campaign speeches, and the students vote on real voting machines.
- 19 Semi-formal Senior dance furnishes the Seniors a great many memories. Good friends soon to part.
- 20 All of Jeff's uniformed groups march in Battle of Flowers Parade.
- 21 The Lassos take to open country for their overnight outing at Kerrville. Good swimming and plenty of food.
- 24 In a night time ceremony the school confers its highest honor on sixty boys and girls as they are initiated into the National Honor Society.
- 26 The P.T.A. enters the field of entertainment with a talent show. All contestants are Jeffites.
- 28 In spring even the hard working Student Council relaxes at a picnic in Landa Park.

MAY

- 3 The Lassos' Day has arrived. First the big Lasso Show, and then Chuckwagon. Girls, what a day!!
- 4 Sabers flash and brass gleams brightly at the Military Ball as the officers of next year's R.O.T.C. and Girls' Cadet Corps are announced.
- 8 The Shakespeare and Jeff-Forum Clubs furnish Jeffites a chance to sit back and enjoy the show **Dream.**
- 10 The Choir assembly is followed the next day with a delicious banquet.
- 17 Senior Play, **Stardust**, leaves Jeffites rolling in the aisles.
- 20 Baccalaureate services for Seniors are held in Municipal Auditorium.
- 23 Annuals are distributed. Students run out of ink signing this year's memory book.
- 24 Senior Barbecue. Eat, drink, and be merry. In a week we graduate.
- 26 Junior-Senior Prom is held at La Villita. Wonderful dance.
- 28 Class Day for Seniors. All enjoy the show and the entertainment.

JUNE

- 1 Last day of a glorious school year. Seniors graduate.

Melody Mustangs

Dear Bue,

Well gal we've almost made it - - -
I think! Next year we'll be seniors.
"SENIORS!" About this time two years ago,
we were wondering what it would be like
and we'll soon find out!! No kidding, I
couldn't have asked for a better and truer
friend all these years and I hope we'll
still be this way this time next year!
Don't forget I'm "maid of honor" at you
& M.'s wedding and you'll be "matron
of honor" at mine (when and if I ever
settle down long enough to get married).
And after you and S. M. are married,
you better ask me down to visit you
Austin. If you can stand being around
an "old maid" that long!

Well I guess I better close before
this turns into a term theme.
Love ya for being the most
sweetest, truest, most wonderful
friend I've ever had!
Carol Jean

Commencement!

Significant, isn't it, that this important milestone, which crowns years of effort, really means to begin again!

This bank — established in 1854 — knows about "commencements". Through lean years and fat, through four wars and the lusty development which followed each conflict, we have actively participated in the surging growth which transformed the raw acres of South Texas into a modern agricultural and industrial empire. And now — NEW frontiers loom in the scientists' test tubes!

Let's begin this "new world" together. You'll like banking here. And we'll like having you.

Our Guarantee to You

... SATISFACTION or Your Money Back

You can't lose at ^{A.M.C.} Sears.

In the first place, all ^{A.M.C.} Sears merchandise is *first quality*. It is made to the rigid specifications of our own engineers, metallurgists, chemists, designers, stylists and long-experienced merchandising specialists. ^{A.M.C.} Sears goods are triple-tested . . . in our own great modern *Laboratory* — where merchandise must prove its strength or confess its weakness — in *Factories*, where our specifications must be met, and in the *Field*, under actual "in-use" conditions.

You would think that all this would be enough — but it doesn't satisfy ^{A.M.C.} Sears. ^{A.M.C.} Sears merchandise is designed by human brains, and made by human hands. Nothing human is infallible. So, just on the long chance that some

time something might slip through, we say to you in all sincerity and good faith: "If anything you ever get from ^{A.M.C.} Sears doesn't make good — ^{A.M.C.} SEARS WILL!"

It is this pledge that has won the confidence of America, and held it through 63 years of historic selling. It is this pledge that sends millions of Americans back to ^{A.M.C.} Sears again and again every year—they know they are getting **FIRST QUALITY**, for perhaps no more than they might have to pay for "seconds", and that ^{A.M.C.} Sears will cheerfully and promptly refund their money, if they don't get complete satisfaction.

And that's exactly what we mean when we sign our advertising with —

Dear Barb,

It's been swell working
with you this past year!
Although we've had our dif-
ferences. I hope we can for-
get them and be swell pals.
I'm looking forward to next
football season. Lots of luck
to a darling gal.

Dear Barbara,

I can't tell you how wonderful
it has been being with you
this past year. We have had
loads of fun and hope its
just the same next football
season. I'll always remember
you and our fun being
magnifico.

All the luck in the world.
